INTERDEPARTMENTAL COMMUNICATION

Date: March 17, 2023

To: Chairman Don Wagner
Vice Chairman Andrew Do
Supervisor Doug Chafee
Supervisor Katrina Foley
Supervisor Vicente Sarmiento

From: Shari L. Freidenrich, CPA, CCMT, CPFA, ACPFIM *SF*

Subject: Treasurer's Investment Report for the Month Ended February 28, 2023

The Treasurer's Investment Report for the month ended February 28, 2023, is attached, is online at octreasurer.com/publicfunds and is provided in compliance with California Government Code Sections 53607, 53646 and 27134 and the County's Investment Policy Statement (IPS). This report contains various charts and information for the Orange County Investment Fund (OCIF), defined in the IPS as all monies under the investment authority of the Treasurer. The OCIF consists of Pooled Funds, defined in the IPS as the Orange County Treasurer's Pool (OCTP), and Specific Investment Accounts that by law, are called the County Treasury.

OCIF STATISTICS

The OCIF summary shows the total investment responsibility of the County Treasurer as delegated by the Board of Supervisors and further reported as OCTP and Specific Investment Accounts. The statistics are further broken down into two reporting entities, the Orange County Investment Pool (OCIP) that includes the County's and the Voluntary Participants' funds and the Orange County Educational Investment Pool (OCEIP) that includes all funds of the Educational Districts. Investment of these public funds by the County Treasurer is based on compliance with State law and prudent money management. The primary goal is to invest public funds in a manner that will provide for maximum security of principal invested with secondary emphasis on providing adequate liquidity to pool participants and lastly to achieve a market rate of return within the parameters of prudent risk management while conforming to all statutes and resolutions governing the investment of public funds.

This summary also includes additional statistics such as daily and monthly yields, weighted average maturities and net asset values. The maximum maturity of the OCTP is five years, with duration not to exceed 1.5 years, and the duration is currently at 0.53 years. All investments in OCIF are marked to market daily to calculate their daily fair value. To further maintain safety, adherence to an investment strategy of only purchasing top-rated securities and diversification of instrument types and maturities is required. On November 14, 2022, Standard & Poor's affirmed their highest rating of AAA on the Orange County Money Market Fund and the Orange County Educational Money Market Fund, which are funds that make-up a portion of OCTP. The County Treasurer expects to have OCTP rated in early 2023. The current market values for OCIP, OCEIP and each Specific Investment Account continue to be below book values. The OCIP, OCEIP and each Specific Investment Account have sufficient liquidity to meet projected cash flow needs.

ECONOMIC UPDATE

The U.S. economy continues to experience strong employment gains and high inflation. Job gains were 311,000 in February after previously increasing 517,000, while January's headline inflation increased 6.0% year over year, lower than the prior month's 6.5%. The financial market is pricing an increase at their next meeting on March 22, 2023.

Some recent U.S. economic releases:

- Gross Domestic Product (second release) rose 2.7% (survey: +2.9%) in the fourth quarter compared to the third quarter's rise of 2.9%.
- The unemployment rate rose to 3.6% (survey: 3.4%) in February, up from 3.4% in January.
- The Empire State Manufacturing Index increased to -5.8 (survey: -18.0) from the prior month's -32.9 while the Philadelphia Fed Index decreased to -24.3 (survey: -7.5) from -8.9 in January. The Federal Reserve uses these indexes as regional economic gauges with a positive reading signaling economic expansion.

The Treasury yield curve rose and flattened as interest rates at longer maturities increased more than shorter maturities in February. The 90-day Treasury Bill rate increased to 4.81% from 4.67%. The 2-year Treasury Note increased to 4.82% from 4.20% while the 10-year Treasury Bond rate increased to 3.92% from 3.51%.

INVESTMENT INTEREST YIELDS AND FORECAST

The current OCTP gross and net yields for January are 3.12% and 3.09% respectively. The revised forecast for the OCTP gross and net yields for fiscal year 2022/2023 are 2.50% and 2.45% respectively. The daily gross yield for OCTP as of February 28, 2023, is 3.19%. The current fiscal year 2022/2023 net yield for both OCIP and OCEIP is 2.04%.

APPORTIONMENT OF COMMINGLED POOL INTEREST EARNINGS

Monthly, the County Treasurer apportions the accrued interest earnings. As of the first business day of the following month accrued, but unpaid, interest earnings are added to pool participants' average balances in determining a participant's relative share of the pool's monthly earnings. The actual cash distribution for December 2022, January 2023 and February 2023 interest apportionments are expected to be paid in March 2023, April 2023 and May 2023 respectively. The estimated investment administrative revised fee for fiscal year 2022-2023 is 4.25 basis points.

TEMPORARY TRANSFERS

The County Treasurer, as required by Constitution Article XVI, Section 6, and per the Board of Supervisor's Resolution 15-016, is authorized to make temporary transfers to school districts to address their short-term cash flow needs. The loans are secured by tax receipts to be received by the County Treasurer, as the banker for the school districts. There were no temporary transfers outstanding as of February 28, 2023.

PORTFOLIO HOLDINGS OF DEBT ISSUED BY POOL PARTICIPANTS

Under guidelines outlined in the current IPS, the County Treasurer may invest in "AA" or above rated securities issued by municipalities. Municipal debt issued by the County of Orange is exempt from this credit rating requirement and has a 10% limit, versus most investment securities have a 5% limit. The OCTP has a total market value of \$129.8 million in County of Orange debt, which represents approximately 0.9% of OCTP. Prior to purchasing any pool participant debt, a standardized credit analysis is performed.

COMPLIANCE SUMMARY

The investment portfolios had no IPS compliance exceptions in the month of February 2023. On February 22, 2023 the Auditor-Controller issued their Review of the Schedule of Assets Held by the County Treasury as of September 30, 2022 stating that they were not aware of any material modifications, except that Management has elected to omit disclosures, which is consistent with prior review reports

CREDIT UPDATE

During February there were no changes to the Treasurer's Approved Issuer List. An ongoing credit analysis of all issuers owned is reviewed on a daily, monthly, quarterly, and annual basis.

I certify that this report includes the OCTP and Specific Investment Accounts as of February 28, 2023 and is in conformity with all State laws and the IPS approved by the Board of Supervisors on December 20, 2022. The OCTP herein shown provides adequate liquidity to meet the next six months of projected cash flow requirements. I am available if you have any questions on this Investment Report at (714) 834-7625.

¹ Market values provided by Bloomberg and Northern Trust. Market values for OCIP and OCEIP are lower than book values. Short-term rates have risen sharply causing the market values on these pools to be slightly below book values. The OCIP and OCEIP have sufficient liquidity to meet projected cash flow needs.

² The OCIP and OCEIP Monthly Accrued Earnings, Monthly net Yields and Year-To-Date Net Yields are higher than the prior year, primarily due to purchases at higher interest rates, with the FOMC raising short-term rates by 3.75% since June 1, 2022.

³ The OCEIP End of Month Market Value, End of Month Book Value, Monthly Average Balance and Year-To-Date Average Balance are all higher than the prior year due to additional funding for new District programs by federal and state governments.

⁴ The OCIP and OCEIP Annual Estimated Gross Yields are higher than the prior year due to continued higher yields from short-term rate increases. The OCIP and OCEIP Annual Estimated Gross Yields for February 2022 are reported at the actual annual gross yields for FY 21-22.

⁵ The OCIP and OCEIP WAM decreased from the prior year due to shorter term purchases as the FOMC is expected to increase short-term rates for the next several months.

ORANGE COUNTY TREASURER-TAX COLLECTOR
CASH AVAILABILITY PROJECTION
FOR THE SIX MONTHS ENDING AUGUST 31, 2023

Government Code Section 53646 (b) (3), effective on January 1, 1996, requires the Treasurer-Tax Collector to include a statement in the investment report, denoting the ability of the Orange County Investment Pool (OCIP) and the Orange County Educational Investment Pool (OCEIP) to meet their expenditure requirements for the next six months.

The OCIP and OCEIP consist of funds in the treasury deposited by various entities required to do so by statute, as well as those entities voluntarily depositing monies in accordance with Government Code Section 53684.

The Treasurer-Tax Collector is required to disburse monies placed in the treasury as directed by the Auditor-Controller and the Department of Education, except for the making of legal investments, to the extent funds are transferred to one or more clearing funds in accordance with Government Code Section 29808.

The Treasurer-Tax Collector, in her projection of cash availability to disburse funds as directed by the Auditor-Controller and the Department of Education, is primarily relying on historical trends involving deposits and withdrawals and known future cash flows. No representation is made as to an individual depositor's ability to meet their anticipated expenditures with anticipated revenues.

The Cash Availability Projection for the six months ending August 31, 2023, indicates the ability of the pools to meet projected cash flow requirements. However, there will usually be differences between projected and actual results because events and circumstances frequently do not occur as expected and those differences may be material.

(1) The 2023 IPS compliance effective January 1, 2023.

(2) All investments are marked to market in compliance with the IPS and market values are provided by Bloomberg and Northern Trust.

(3) Excludes US Government Debt and municipal debt issued by the County of Orange, California, per the 2023 IPS policy approved by the Board of Supervisors on December 20, 2022 effective on January 1, 2023.

(4) IPS requirements further limit investments in each MMMF account, JPA pool and repurchase agreement issuer to 10%.

(5) Modified duration which does not take into consideration all embedded options such as callable bonds.

(6) The OCTP NAV reflects a slight decrease in market values versus book values, and the NAV still remains below 1.0000 at 0.9850 compared to last month's NAV at 0.9860. The OCTP has sufficient liquidity to meet projected cash flow needs.

(7) IPS Separate Compliance Limits do not apply to Specific Investments, as they do not represent total County Department/Agency Funds.

Note: Compliance exceptions, if any, are noted by red shading for the specific IPS guideline and investment pool.

ORANGE COUNTY TREASURER-TAX COLLECTOR
INVESTMENT POLICY (IPS) AND TREASURY OVERSIGHT COMMITTEE (TOC) COMPLIANCE SUMMARY
February 28, 2023

COMPLIANCE CATEGORY	RESPONSIBLE PARTY	REGULATORY/POLICY GUIDELINES	CURRENT STATUS
Annual Compliance Audit	TOC	Performance Evaluation-Cal Govt. Code 27134	June 30, 2021 and June 30, 2022 audits in progress.
Quarterly Compliance Monitoring	TOC	TOC Directive	September 30, 2022 and December 31, 2022 in progress.
Annual Schedule of Assets Audit	AC	Performance Evaluation-Cal Govt. Code 26920(b)	June 30, 2022 in progress.

Independent Accountant's Review Report

We have reviewed the accompanying Orange County Treasurer's Schedule of Assets—Modified Cash-Basis (financial schedule) as of September 30, 2022, pursuant to Government Code Section 26920(a). A review includes primarily applying analytical procedures to management's financial data and making inquiries of department management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial schedule as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Schedule

Management is responsible for the preparation and fair presentation of this financial schedule in accordance with the modified cash-basis of accounting; this includes determining that the basis of accounting the County Treasury uses for financial reporting is an acceptable basis for the preparation of financial schedules in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial schedules that are free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial schedule for it to be in accordance with the modified cash-basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, except for the issue noted in the Known Departure from Modified Cash-Basis of Accounting paragraph, we are not aware of any material modifications that should be made to the accompanying financial schedule for it to be in accordance with the modified cash-basis of accounting.

Known Departure from Modified Cash-Basis of Accounting

The financial schedule is prepared in accordance with the modified cash-basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Receipts are recognized when received by the Treasurer; disbursements are recognized when paid by the bank; and the value of investments is stated at fair value. The modified cash-basis of accounting requires that financial statements include adequate disclosures. Management has elected to omit all disclosures ordinarily included in a financial schedule prepared on the modified cash-basis of accounting. If the omitted disclosures were included in the financial statement, they might influence the users' conclusions about the County Treasury's assets.
