INTERDEPARTMENTAL COMMUNICATION

Date: July 17, 2023

To: Chairman Don Wagner
Vice Chairman Andrew Do
Supervisor Doug Chafee
Supervisor Katrina Foley
Supervisor Vicente Sarmiento

From: Shari L. Freidenrich, CPA, CCMT, CPFA, ACPFIM 

Subject: Treasurer's Investment Report for the Month Ended June 30, 2023

The Treasurer's Investment Report for the month ended June 30, 2023, is attached, is online at octreasurer.com/publicfunds and is provided in compliance with California Government Code Sections 53607, 53646 and 27134 and the County's Investment Policy Statement (IPS). This report contains various charts and information for the Orange County Investment Fund (OCIF), defined in the IPS as all monies under the investment authority of the Treasurer. The OCIF consists of Pooled Funds, defined in the IPS as the Orange County Treasurer's Pool (OCTP), and Specific Investment Accounts that by law, are called the County Treasury.

OCIF STATISTICS

The OCIF summary shows the total investment responsibility of the County Treasurer as delegated by the Board of Supervisors and further reported as OCTP and Specific Investment Accounts. The statistics are further broken down into two reporting entities, the Orange County Investment Pool (OCIP) that includes the County's and the Voluntary Participants' funds and the Orange County Educational Investment Pool (OCEIP) that includes all funds of the Educational Districts. Investment of these public funds by the County Treasurer is based on compliance with State law and prudent money management. The primary goal is to invest public funds in a manner that will provide for maximum security of principal invested with secondary emphasis on providing adequate liquidity to pool participants and lastly to achieve a market rate of return within the parameters of prudent risk management while conforming to all statutes and resolutions governing the investment of public funds.

This summary also includes additional statistics such as daily and monthly yields, weighted average maturities and net asset values. The maximum maturity of the OCTP is five years, with duration not to exceed 1.5 years. The duration is currently at 0.59 year. All investments in OCIF are marked to market daily to calculate their daily fair value. To further maintain safety, adherence to an investment strategy of only purchasing top-rated securities and diversification of instrument types and maturities is required. On November 14, 2022, Standard & Poor's affirmed their highest rating of AAAM on the Orange County Money Market Fund and the Orange County Educational Money Market Fund, which are funds that make-up a portion of OCTP. The County Treasurer plans to have OCTP rated early in Fiscal Year 2023-2024. The current market values for OCIP, OCEIP, Pension Prepayment-CEO, Fountain Valley School District and CCCD Series 2017E Bonds funds continue to be slightly below book values. Each of these funds have sufficient liquidity to meet their projected cash flow needs.

ECONOMIC UPDATE

The U.S. economy continues to experience stable employment gains, but continues to have elevated inflation. Job gains were 209,000 in June after increasing 306,000 (revised) in May, while May's headline inflation decreased to 4.0% year over year, lower than April's 4.9%. The Federal Open Market Committee (FOMC) held the Federal Funds rate range at 5.00-5.25% on June 14, 2023, pausing the rate increases for the first time since January 2022. The financial market is pricing a 25-basis point increase at the next FOMC meeting on July 26, 2023.

Some recent U.S. economic releases include:

- Gross Domestic Product (revised) rose 2.0% (survey: +1.4%) in the first quarter compared to the fourth quarter's rise of 2.6% (revised).
- The unemployment rate decreased to 3.6% (survey: 3.6%) in June from 3.7% in May.
- The Empire State Manufacturing Index increased to 6.6 (survey: -15.1) from the prior month's -31.8 while the Philadelphia Fed Index decreased to -13.7 (survey: -14.0) from -10.4 in May. The Federal Reserve uses these indexes as regional economic gauges with a positive reading signaling economic expansion.

The 2-year and 10-year Treasury yield curve rose, but remained inverted in June. The 90-day Treasury Bill rate decreased to 5.30% from 5.40%. The 2-year Treasury Note increased to 4.90% from 4.41% while the 10-year Treasury Bond rate increased to 3.84% from 3.65%.

INVESTMENT INTEREST YIELDS AND FORECAST

The current OCTP gross and net yields for June are 3.73% and 3.69%. The daily gross yield for OCTP as of June 30, 2023, is 3.78%. The fiscal year 2022-2023 net yield is 2.55% for OCIP and 2.60% for OCEIP, higher than the original forecasted gross and net yields of 1.86% and 1.80%, and the revised forecast gross and net yields of 2.50% and 2.45%. We expect to provide our forecasted gross and net yields for fiscal year 2023-2024 next month.

APPORTIONMENT OF COMMINGLED POOL INTEREST EARNINGS

Monthly, the County Treasurer apportions the accrued interest earnings. As of the first business day of the following month accrued, but unpaid, interest earnings are added to pool participants' average balances in determining a participant's relative share of the pool's monthly earnings. The actual cash distribution for April 2023, May 2023, and June 2023 interest apportionments are expected to be paid in July 2023, August 2023, and September 2023 respectively. We expect to provide our estimated investment administrative fee for fiscal year 2023-2024 next month.

TEMPORARY TRANSFERS

The County Treasurer, as required by Constitution Article XVI, Section 6, and per the Board of Supervisor's Resolution 15-016, is authorized to make temporary transfers to school districts to address their short-term cash flow needs. The loans are secured by tax receipts to be received by the County Treasurer, as the banker for the school districts. There were no temporary transfers outstanding as of June 30, 2023.

COMPLIANCE SUMMARY

The investment portfolios had one IPS compliance exception in the month of June 2023 when a designated individual did not file their leaving office Form 700 in June 2023 as required. On June 2, 2023, the Auditor-Controller issued their report on Compliance Monitoring of the Treasurer's Investment Portfolio for the Quarter Ended September 30, 2022, that stated no compliance exceptions were identified. On June 27, 2023, the Auditor-Controller issued the Second Follow-Up Audit: Management Letter on Review of the Schedule of Assets Held by the County Treasury as of December 31, 2020. This Follow-Up Management Letter stated that the status of the finding was not implemented as the Northern Trust Money Market Mutual Fund was not yet set up in Quantum. As the Treasurer took immediate corrective action at the time of the finding to cease all future purchases of this Money Market Mutual Fund investment, the Treasurer no longer invests in this security and believes this finding is no longer applicable and also ensures that all County Treasury assets are recorded or reconciled with the investment accounting system.

CREDIT UPDATE

During June there were no changes to the Treasurer's Approved Issuer List. An ongoing credit analysis of all issuers owned is reviewed on a daily, monthly, quarterly and annual basis.

I certify that this report includes the OCTP and Specific Investment Accounts as of June 30, 2023 and is in conformity with all State laws and the IPS approved by the Board of Supervisors on December 20, 2022. The OCTP herein shown provides adequate liquidity to meet the next six months of projected cash flow requirements. I am available if you have any questions on this Investment Report at (714) 834-7625.

¹ Market values provided by Bloomberg and Northern Trust. Market values for OCIP and OCEIP are lower than book values. Short-term rates have risen sharply this past year causing the market values on these pools to be slightly below book values. The OCIP and OCEIP have sufficient liquidity to meet projected cash flow needs.

² The OCEIP End of Month Market Value, End of Month Book Value, Monthly Average Balance and Year-To-Date Average Balance are higher than the prior year primarily due to funding for new District programs by federal and state governments.

³ The OCIP and OCEIP Monthly Accrued Earnings, Monthly Net Yields and Year-To-Date Net Yields are higher than the prior year, due to increased average monthly balances and higher interest rates, with the FOMC raising short-term rates by 3.50% since July 1, 2022.

⁴ The OCIP and OCEIP Annual Estimated Gross Yields are higher than the prior year due to continued higher yields from short-term rate increases. The OCIP and OCEIP Annual Estimated Gross Yields for June 2022 are reported at the actual annual gross yields for FY 21-

⁵ The OCIP and OCEIP WAM decreased from the prior year due to shorter term purchases in a rising interest rate environment.

CASH AVAILABILITY PROJECTION
FOR THE SIX MONTHS ENDING December 31, 2023**

Government Code Section 53646 (b) (3), effective on January 1, 1996, requires the Treasurer-Tax Collector to include a statement in the investment report, denoting the ability of the Orange County Treasurer's Pool (OCTP) to meet expenditure requirements for the next six months.

The OCTP consists of funds in the treasury deposited by various entities required to do so by statute, as well as those entities voluntarily depositing monies in accordance with Government Code Section 53684.

The Treasurer-Tax Collector is required to disburse monies placed in the treasury as directed by the Auditor-Controller and the Department of Education, except for the making of legal investments, to the extent funds are transferred to one or more clearing funds in accordance with Government Code Section 29808.

The Treasurer-Tax Collector, in her projection of cash availability to disburse funds as directed by the Auditor-Controller and the Department of Education, is primarily relying on historical trends involving deposits and withdrawals and known future cash flows. No representation is made as to an individual depositor's ability to meet their anticipated expenditures with anticipated revenues.

The Cash Availability Projection for the six months ending December 31, 2023, indicates the ability of the pools to meet projected cash flow requirements. However, there will usually be differences between projected and actual results because events and circumstances frequently do not occur as expected and those differences may be material.

ORANGE COUNTY TREASURER'S POOL				
Month	Investment Maturities	Projected Deposits	Projected Disbursements	Cumulative Available Cash
June 2023 - Ending Cash				\$ 40,810,033

(1) The 2023 IPS compliance effective January 1, 2023.

(2) All investments are marked to market in compliance with the IPS and market values are provided by Bloomberg and Northern Trust.

(3) Excludes US Government Debt per the 2023 IPS policy approved by the Board of Supervisors on December 20, 2022 effective on January 1, 2023.

(4) IPS requirements further limit investments in each MMMF account, JPA pool and repurchase agreement issuer to 10%.

(5) Modified duration which does not take into consideration all embedded options such as callable bonds.

(6) The OCTP NAV reflects a slight increase in market values verses book values, and the NAV still remains below 1.0000 at 0.9901 compared to last month's NAV at 0.9895. The OCTP has sufficient liquidity to meet projected cash flow needs.

(7) IPS Separate Compliance Limits do not apply to Specific Investments, as they do not represent total County Department/Agency Funds.

Note: Compliance exceptions, if any, are noted by red shading for the specific IPS guideline.

Internal Auditor's Report

We have completed our compliance monitoring of the Treasurer's investment portfolio for the quarter ended September 30, 2022. The purpose of our engagement was to determine whether the Treasurer's investment portfolio complied with the Treasurer's Investment Policy Statement (IPS). This engagement covers the Orange County Investment Fund (OCIF), which includes all cash and investment balances entrusted to the Treasurer.

We selected 15 business days for testing and analyzed the FIS Quantum data in Excel to determine whether the Treasurer's investment portfolio complied with the IPS for those days. We performed the following procedures and found no exceptions; however, we noted our findings for procedure #5.

1. Authorized Investments (IPS Sections VI, VII, IX, and XI): We selected one investment purchased for each of the 15 days tested and confirmed that the investment conformed to the IPS requirements at the time of purchase.

Results: We found no exceptions.

2. Diversification Limits (IPS Section VIII.1): We confirmed that investments did not exceed the diversification limits.

Results: We found no exceptions.

3. Maximum Maturity Limits (IPS Section VIII.2): We confirmed that the maximum maturity of any investment purchased did not exceed five years.

Results: We found no exceptions.

4. Lower Maturity Limits (IPS Section VIII.1): We confirmed that the maximum maturity of investment types purchased that have lower limits than those covered by IPS Section VIII.2 did not exceed 180 days for repurchase agreements and bankers' acceptances, 270 days for commercial paper, 18 months for negotiable certificates of deposit, two years for medium-term notes, and three years for municipal debt.

Results: We found no exceptions.

5. Issuer Concentration Limits (IPS Section VIII.1): We confirmed that the investments did not exceed the issuer concentration limits.

Results: We found no exceptions. T-TC does not apply IPS restrictions to OCIF, which includes the Orange County Treasurer's Pool (OCTP) and Specific Investments; T-TC applies IPS restrictions to only OCTP. The IPS is unclear as to whether Specific Investments and Money Market Mutual Funds (MMMFs) are excluded from the IPS restrictions.

6. Financial Reporting (IPS Section XXI): We confirmed that any compliance exceptions identified during our testing were reported in the Treasurer's Monthly Investment Report per the IPS.

Results: We found no exceptions.

Internal Auditor's Report

This report is intended solely for the information and use of the Treasury Oversight Committee and the Office of the Treasurer-Tax Collector; however, this report is a matter of public record and its distribution is not limited.

Second Follow-up Audit of the Management Letter on Review of the Schedule of Assets as of December 31, 2020

Audit Manager: Michael Steinhaus, CPA, CIA, CISA
Auditor II: John C. Lim, CIA

Audit Number 2217-A
Report Date: June 27, 2023

OFFICE OF THE
ORANGE COUNTY AUDITOR-CONTROLLER

ANDREW N. HAMILTON, CPA
AUDITOR-CONTROLLER

DATE: June 27, 2023
TO: Honorable Board of Supervisors
FROM: Michael Steinhaus, Audit Manager
SUBJECT: Second Follow-up Audit of the Management Letter on Review of the Schedule of Assets as of December 31, 2020

We have completed a follow-up review of the Management Letter on Review of the Schedule of Assets as of December 31, 2020 (Management Letter). Our review was limited to reviewing the corrective actions taken as of August 31, 2022, to resolve the one outstanding finding from the Management Letter. Our report is attached for your review.

Given T-TC has not resolved the one significant deficiency from the Management Letter, we will recommend that the Audit Oversight Committee request that we perform a third follow-up review in approximately six months.

Other recipients of this report:

Members, Audit Oversight Committee
Jason Prole, Director of Investments
Brian Winn, Accounting/Compliance Manager
Salvador Lopez, Chief Deputy Auditor-Controller
John Lim, Auditor II
Foreperson, Grand Jury
Robin Stieler, Clerk of the Board of Supervisors
Eide Bailly LLP, County External Auditor

Internal Auditor's Report

Background

We completed a review of the Schedule of Assets as of December 31, 2020; and identified one significant deficiency in the related management letter. We classified the finding as a significant deficiency when combined with a similar control deficiency identified in the Management Letter on Review of the Schedule of Assets as of September 30, 2016 and again in the Management Letter on Review of the Schedule of Assets as of September 30, 2019, for which T-TC then concurred with our recommendation that T-TC management ensure its financial records (Quantum) accurately reflect all cash and investment accounts of the Treasury; T-TC's planned corrective action was to add and track the applicable accounts in Quantum as part of its Quantum upgrade that was to be completed in 2017; and T-TC's corrective action is still process. As a result of our first follow-up review, we found that the Treasurer-Tax Collector (T-TC) was in the process of resolving the one finding as of December 31, 2021.

Results

During our second follow-up review, we found the following status as of August 31, 2022:

Finding: Northern Trust Demand Account Not Recorded in Quantum (Significant Deficiency)

Recommendation: We recommend that T-TC management ensure that all accounts included in its Schedule of Assets are recorded in Quantum.

Status: Not Implemented. T-TC does not ensure that all accounts included in its Schedule of Assets are recorded in Quantum. T-TC has not set up the Northern Trust MMMF accounts in Quantum. Instead, T-TC has stopped purchasing Northern Trust MMMFs until T-TC has set up those accounts in Quantum.

We appreciate the assistance extended to us by the personnel of the Treasurer-Tax Collector during our follow-up audit. If you have any questions, please contact me at (714) 834-6106.
