# Internal Auditor's Report

We have completed our compliance monitoring of the Treasurer's investment portfolio for the quarter ended June 30, 2023. The purpose of our engagement was to determine whether the Treasurer's investment portfolio complied with the Treasurer's Investment Policy Statement (IPS).

We analyzed the FIS Quantum data for 15 business days to perform the following procedures:

1. Authorized Investments (IPS Sections VI, VII, IX, and XI): We selected one investment purchase per day and confirmed that it conformed to the IPS restrictions.  
Results: We found no exceptions.
2. Diversification Limits (IPS Section VIII.1): We confirmed that investments did not exceed the diversification limits.  
Results: We found no exceptions.
3. Maximum Maturity Limits (IPS Section VIII.2): We confirmed that investments did not exceed the maximum maturity limits.  
Results: We found no exceptions.
4. Lower Maturity Limits (IPS Section VIII.1): We confirmed that investments with lower limits than those covered by IPS Section VIII.2 did not exceed the lower maturity limits.  
Results: We found no exceptions.
5. Issuer Concentration Limits (IPS Section VIII.1): We confirmed that the investments did not exceed the issuer concentration limits.  
Results: We found no exceptions.
6. Financial Reporting (IPS Section XXI): We confirmed that T-TC reported any compliance exceptions in the Treasurer's Monthly Investment Report.  
Results: We found no exceptions.

This report is intended solely for the information and use of the Treasury Oversight Committee and the Office of the Treasurer-Tax Collector; however, this report is a matter of public record and its distribution is not limited.
